

**EVERY
DAY
HAS A
STORY!**

Fire Extinguisher Training

The Fire Extinguisher course is divided into two sections: Classroom and Practical. During the classroom training, the participants will be able to identify fire extinguisher classification and rating, general operating instructions, types of Extinguishers and how to use them and inspecting the fire extinguisher. The second part of the program will be hands on in a controlled environment where the Participant will be able to demonstrate their skills.
